

MARKET ADVANTAGES

POS and Inventory Control for Pet Supply & Farm Stores

***Special Features and Benefits for
the Diverse Needs of Pet Supply & Farm Stores***

Pet supply and farm stores face unique challenges in servicing a variety of customer types and managing a diverse inventory. Keystroke POS is a comprehensive retail automation system with the flexibility and extended capabilities needed to operate even the most complete farm supply business.

Whether you operate a small pet or supply store, or a full-service feed, veterinary and farm supply business, the Keystroke POS system will give you the technology needed to manage sales, ordering, inventory, and employees with maximum efficiency and convenience to your customers.

Made to Help Your Business Grow!

- Fast sales entry and easy item lookup.
- Touch-screen and keyboard friendly.
- Barcode scanning and printing.
- Complete inventory, customer and vendor history.
- Advanced reporting capabilities.
- Employee tracking with a built-in time clock. Log all activity with password or fingerprint sign in.
- Customizable full-size invoices for large sales and complete item descriptions with optional extended comments.
- Increase add-on sales with powerful sales scripts for item reminders, suggested alternates for upsell or out of stock.
- Manage bulk feed, chemicals, lumber, restricted items, etc.

Ready to Grow with Your Business!

- Retail, wholesale and contract pricing all in one system.
- Customer charge accounts with multiple Contacts for customer activity tracking by person, job or other criteria.
- One workstation or multi-lane – add registers as needed.
- Wireless hand-held computers for mobile tasks such as recording physical inventory and in-field transactions.
- Powerful multi-level pricing by customer type, quantity, mix & match, timed sales promotions, etc.
- Fast and secure electronic payment processing with competitive rates and free gift card processing.
- Comprehensive polling and reporting for multiple locations.
- Links with Peachtree® by Sage, QuickBooks®, and others.
